PRELUDE

Goa is a modern and forward-looking State with impressive achievements in social, economic and industrial sectors including Information Technology. Government of Goa is conscious and deeply committed to the effective and optimum utilization of Information and Technology for promoting good Governance to facilitate service delivery, encourage citizen participation in decision making and make the governance system people friendly, transparent and accountable. It further acknowledges IT as the key enabler for greater socio-economic development of the State.

In this context, Government is unveiling its IT investment Policy with special focus on setting up a strong base in IT/ITES and EMC in Goa. Goa is an ideal destination for IT industries owing to its inherent non-polluting nature, attractive policy incentives, along with excellent air, rail, and road connectivity. The literate English speaking population would further facilitate in promoting the State’s vision.

VISION

Vision is to make State of Goa the most preferred destination for investors, thereby making IT/ITES/ESDM a vibrant industry leading to inclusive growth and employment generation.

OBJECTIVES

1. To create a world class IT infrastructure in the State.
2. To attract a minimum of 10 leading IT/ITES and 5 leading ESDM companies to the State as anchor units.
3. To achieve direct and indirect employment of close to 15,000 professionals in IT/ITES/EMC units.
4. To encourage Start-ups IT/ITES/ESDM space.
5. To maximize direct and indirect employment opportunities for the youth in the State in the fields of IT/ITES/ESDM.
6. To promote a modern, clean, green, eco-friendly working environment.

STRATEGIES

a. Providing attractive incentives for companies to make investments in IT/ITES/ESDM sectors in the State.
b. Ensuring speedy, time-bound, hassle free clearances.
c. Encouraging AVGC industries as Goa has rich cultural ethos and artistic traditions with strong base in Tourism and Entertainment.
d. Create industry-ready skilled & technical manpower.
WHY GOA?

1. Power and Water Tariff are available at globally competitive rates.
2. Land.
   - Land has been earmarked for setting up of IT/ITES and ESDM units.
   - Provision of basic infrastructure viz. internal roads, water and sewage connection, substation for electricity etc. in the proposed investment area.
   - Proactive support for IT/ITES and EMC is the greatest strength.
   - There are 22 established Industrial estates and industrial areas in the state housing variety of industries creating a good eco-system.
   - No Octroi levied in the State.
4. Excellent Connectivity.
   - Road & Rail: Goa has the highest density of road connectivity. NH17 and Konkan railways connect Goa to west-coast cities. It is well connected to major commercial hubs i.e. Mumbai, Bangalore, Hyderabad, Pune etc. through Air, Rail, Road and Sea.
   - Airports: Goa presently has one operational international airport at Dabolim which takes care of domestic and international airlines. Second international airport is proposed at Mopa, Pernem in North Goa scheduled to be operational by 2018-19.
   - Port: Goa has an added advantage of having a Sea Port – Mormugao Port along the beautiful city of Vasco da Gama. It is a major and thriving port in India and provides an excellent sea route for movement of goods.
   - Broad band connectivity: State has world class fibre optics broadband network infrastructure in place. The broadband connectivity provides 10 Gbps connectivity from the State Headquarters / District Headquarters up to the Taluka (Block) level and 1 Gbps connectivity from Taluka level to village Panchayats.
   - The State has a literacy rate of 88.7% with fluency in English.
   - State has nationally reputed and recognized technical education centres with presence of a number of engineering colleges and prestigious institutes like BITS Goa, NIT etc. The upcoming IIT will add to the human resource talent pool. Goa also has 14 skill enhancing institutes, offering variety of diploma and ITI courses.
6. Other Infrastructure
   - Excellent Social infrastructure with state-of-the-art health care facilities.
   - Goa is a globally renowned destination for Tourism, Entertainment, Art & Culture activities providing an excellent work-life balance.
   - Various incentives are incorporated in the policy to enable investors to make Goa the most attractive investment destination in the Country.
