Government of Odisha
PHARMACEUTICALS POLICY
RESOLUTION 2016

Resolution
No. 8301/I,
XIV - HI - 5/2016
Dated 24.11.2016

Government of Odisha
Industries Department
Preamble

Government of Odisha is committed to create an ecosystem for pharmaceuticals manufacturing in the State. This Policy shall act as a catalyst for higher investments and employment in the State in the pharmaceutical sector.
To promote Odisha as an investment destination of choice for investors in the pharmaceutical sector, by creating an enabling environment through dedicated industrial infrastructure development, financial assistance and ensuring ease of doing business.

**Vision**

To promote Odisha as an investment destination of choice for investors in the pharmaceutical sector, by creating an enabling environment through dedicated industrial infrastructure development, financial assistance and ensuring ease of doing business.

**Mission**

a) State to become the top destination for Pharmaceutical sector investments in East India
b) Develop industrial and common infrastructure for cluster development in the sector
c) Provide fiscal and non-fiscal benefits in a transparent and time bound manner
d) Implement a supportive regulatory framework and robust governance structure that enables hassle-free, time bound statutory clearances and monitoring of this policy
1. Objectives

The policy has the following key objectives:

a) Transform Odisha into an attractive destination for private sector pharmaceutical investments. Create avenues for clinical and contract research, manufacturing and innovation opportunities.

b) Promote establishment of specialized Pharmaceutical Parks with best-in-class infrastructure and technology. Promote infrastructure development through public and private sector participation.

c) Encourage environment friendly manufacturing practices followed by industrial units in Pharmaceutical sectors

d) Ensure a strong institutional framework for effective implementation, monitoring and evaluation of the policy

2. Scope

The policy would provide incentives and exemptions in conjunction with any other applicable existing policy of the State and Government of India.

3. Policy period

The Policy will remain in operation till the operative period of IPR-2015.
4. Pharmaceuticals Cluster

4.1 Developers of such green field Pharmaceuticals Cluster shall be eligible for a grant of up to 50% of the infrastructure cost with a ceiling of Rs.10 crore per park or cluster as per the OG on capital grant to support quality infrastructure under IPR 2015. In the case of upgradation of the existing parks / clusters the government will provide a similar support of 50% of total cost with a ceiling of Rs.5 crore provided the park / estate / cluster is user-managed.

4.2 - For adopting zero effluent /waste water discharge facilities (Common Effluent Treatment Plant, Incinerator, etc.), the developer will be eligible for additional environmental protection infrastructure subsidy of Rs.2 crore or 50% of cost of such common facilities, whichever is less, provided the developer has availed full support in para 4.1. Cost of such infrastructure should be computed separately.

5. Fiscal and Non-Fiscal Incentives to Industrial Units

Industrial Policy Resolution 2015 extends various fiscal and non-fiscal incentives for industries setting up facilities in the State. The following incentives shall be made available through this policy.

An investor may choose to avail benefit under a particular provision from either this policy or any other policy, but not both.
