JHARKHAND TOURISM POLICY

2015

DEPARTMENT OF TOURISM
TOURISM POLICY, 2015

1.0 INTRODUCTION

1.1 Tourism is essentially an expression of a natural instinct for learning, experience, education and entertainment. The motivating factors for tourism include social, religious business interest and quest for knowledge. The economic implications of this phenomenon are wide ranging and capable of influencing the development process. Tourism contributes positively to reconcile, economic development and alleviate poverty by creating resources through economic activities. It adds to the foreign exchange earnings, contributes to Government revenue, spreads economic and social benefits to under-developed areas, generates income and creates job thereby raising living standards of the stakeholders.

1.2 The tourism industry, unlike many other industries, is a composite of several services providers. Services providers are generally in the private sector. In addition, public sector institutions are also involved in planning, development and management of tourism. The participation of different private and public agencies, makes tourism industry a composite phenomenon requiring strong cooperation and coordination for it to be developed and extended along lines that will contribute to the overall national development objectives.

1.3 Tourism is one of the fastest growing industries in the world. The number of tourists world wide has been registering phenomenal growth and it is expected that this number would shortly touch 1.5 billion. Tourism contributes about 11% of the world work force and 10.2% of the global gross domestic products. The dynamic growth of this industry is evident from the fact that a new job is added to this sector every 2.5 second.

1.4 This pattern and dynamic character of this sector makes it necessary that the policy should be in accordance with the changing environment. Policies are products of time and circumstances, available resources, technologies and most importantly the needs of the stakeholders.

1.5 Jharkhand is endowed with rich cultural heritage and bestowed liberally with bounties of nature. The State is kaleidoscope of past splendours and present glory. A fascinating State with luxuriant forest, captivating wild life, enthralling water falls, exquisite handicrafts, sprawling water bodies, enchanting classical and folk dances and music and above all hospitable and peace loving people. The State of Jharkhand is blessed with immense bio-diversity, moderate climate, rich cultural and historical heritage, religious places of worship and ethnic aspects to make the State the ultimate destination for tourists.
1.6 The State Government has a firm belief that development of tourism sector would not only generate immense employment opportunities directly or indirectly, but also contribute in accelerated economic development. This would not only ensure showcasing of rich traditional and cultural heritage of the State but also would have cascading effect in development of other sectors. Rightfully the State Government has accorded tourism the status of industry in Jharkhand. Making the people of the State, nation and the world aware of the rich endowments of nature, its cultural heritage spiritual places and other traditions are essential for boosting tourism industry in the State.

1.7 The Government of Jharkhand in consonance with the needs and aspirations of the local populations and entrepreneurs, the changes taking place in the global and national tourism scenario and the competition at national and international level, has found it expedient to formulate the tourism policy for promoting tourism for all round development of the State so as to bring the State on equal footing with leading developed States in tourism sector of the country by 2015.

16.0 THRUST AREAS

16.1 In order to achieve the objectives of this policy, the following thrust areas have been identified for the prioritised action and follow up:

16.2 RELIGIOUS TOURISM

16.2.1 Jharkhand has abundant number of religious places of national importance. The holy city of Deoghar is the abode of Baba Baidyanath, one of the 12 Jyotir Lingas scattered across the country. The most sacred pilgrim place for Jains, the Parasnath, where 20 out of the 24 Tirthankars attained Mahanirvana, is situated in Jharkhand. One of the most revered shakti sthal- Rajrappa and Ma Bhadrakali Temples are located in Ramgarh and Chatra.
District respectively. A large number of religious tourists visits such sacred shrines in the State, throughout the year.

16.2.2 The State Government would take all steps to provide civic amenities like parking, land scaping and beautification of such areas of religious importance. Toilets, safe drinking water, garbage disposal etc. would be given special emphasis at these religious places in coordination with the various management bodies.

16.2.3 During important festivals, special measures would be taken for ensuring the safety and security of the tourists by setting up information centres, tented colonies to accommodate such pilgrim tourists and to deploy additional police force so as to inculcate a sense of security and augment the local security arrangement.

16.2.4 To project Parasnath as the most sacred place for religious pilgrimage for the Jain community, a Parasnath Development Authority would be set up to manage and maintain Madhuban and Parasnath, by providing all basic services facilities and taking up various tourism development projects.

16.2.5 The number of pilgrims visiting the Baba Baidhyanath Temple at Deoghar are increasing exponentially. As large as 40 lakhs pilgrims visit the shrine every year. To mitigate the problem of ensuring timely Darshans, a suitable mechanism would be setup, based upon the mechanisms prevalent and developed at such other sacred renowned places of pilgrimage, for such waiting pilgrims and to make their stay more comfortable and memorable.

16.2.6 Religious tourist units and tour packages would be developed and publicised to promote religious tourism in a professional manner.

16.3 ECO TOURISM

16.3.1 Jharkhand has a forest cover of 33%, where there is immense scope of developing eco-tourism. The lush green jungles, the perennial water falls, the terrain, the moderate climate, the rich wild life makes it an ideal destination for developing eco-tourism activities like forest trails, nature walks, jungle safaris, trekking, rock climbing etc.

16.3.2 Such activities would be conducted in a planned and professional manner which promote awareness regarding the environment and help maintain the ecological balance.

16.3.3 The Government will harness the tourism potential of the forests in the State by developing camping sites with basic infrastructure facilities and public convenience services. Private sector shall be encouraged for setting up of camping sites at various suitable locations on environment friendly basis.
16.3.4 The Government will take steps to provide accommodation to the tourists by opening the Forest Rest Houses (FRH) to the public. These Forest Rest Houses would as far as possible be managed through public-private partnership with capable and committed partners having good track record of promoting eco-tourism.

16.3.5 Wild life tourism is an integral part of eco-tourism. Jharkhand has a varied topography, unlimited forest cover and is endowed with a vast variety of flora and fauna. There are a number of sanctuaries, national parks and wild life reserves, which would be utilised for the purpose of promoting eco-tourism.

16.3.6 The department of tourism would actively work with the department of forest and environment to further develop and improve wild life parks/zoos, bird watching towers and other public utility services for tourists.

16.3.7 The wild life sanctuaries and national parks would be integrated as an integral part of Jharkhand tourism product and priority would be given for professional visitor’s management. The quality of tourist facilities available at the parks would be enhanced and steps would be taken to improve visitors information network.

16.3.8 Tree plantation as a tourism linked activity will be given special attention and efforts would be made in a planned manner to deal with the problem of non-biodegradable wastes. Intensive campaign to regulate plastic waste will be launched with the assistance of the private sector and Non-Government Organizations (NGO's)

16.4 CULTURAL TOURISM

16.4.1 Every effort will be made to promote the various fairs and festivals, traditional life styles and customs, dress and food habits of the people of Jharkhand so that tourists and visitors can get a chance to see and cherish the rich and varied cultural of the State.

16.4.2 Efforts will be made to develop the local fairs and festivals into tourism events and attractions. A calendar of events will be prepared indicating the month–wise events through out the State with the dates and timings.

16.4.3 The Indian Council for Cultural Relations (ICCR), the Sangeet Natak Academy, the Zonal Regional Cultural Centres and other Organizations will be encouraged to organize various cultural events of national and international standards in Jharkhand.
16.4.4 Inter State Cultural exchange Programmes would be organized so as to promote cultural events in other States and abroad and provide exposures to the artists of the State.

16.4.5 Handicraft items of Jharkhand, which are well-known for their authentic craftsmanship and attractiveness, would be promoted. The Tourist Informations Centres (TIC’S), Hotels, Airports, Railway Station and other public places of importance would show case such handicraft items within and outside the State.

16.4.6 Efforts would be made to market various handicrafts items through various Tourism Promotion marts/exhibitions etc. within and outside the State along with the cultural extravaganza.

16.4.7 The hosting of hotels religion conferences at hotels would be encouraged to promote performance of local cultural expressions such as dances, songs, puppetry etc on regular basis so that tourists could sample the cultural diversity and vibrancy of state.

16.5 RURAL TOURISM

16.5.1 Jharkhand has rich cultural traditions and customs. As many as 30 visibly distinct tribal ethnic groups reside in the State. To ensure the fruits of tourism promotion reach the rural areas and to show-case the rich cultural heritage of the State, the following initiatives would be taken:

a. Identified rural tourism villages would be notified by the department. The precondition for declaring such villages as rural tourism villages, would be that they must predominantly have traditional art and culture. The Village tourism Committees (VTC) would be constituted in such villages to promote mutual cooperation and sustenance.SHG’s of villages shall be promoted to work as VTCs.

b. The identified villages in the first phase would be those, which are near the existing tourist centers so as to develop an attractive tour package.

c. Such identified villages would be developed as model villages and infrastructure like roads, streets, drainage, parking, bus stand, lighting, sanitation, drinking water supply, tourist information center, open air theatre, landscaping, craft bazaar, nature trails would be provided.

d. Such notified villages would not be charged any luxury tax or commercial rates for electricity.

e. Appropriate synergies would be ensured with financial institutions to provide funds for renovating the rural homes so as to ensure attractive, clean and comfortable stay of visiting tourists.
f. Local cuisines would be promoted in such villages. Linkages would be developed to promote local handicrafts and cultural aspects.

g. The department of tourism would take appropriate steps for wide publicity and promotion of such rural tourism destinations.

h. Private entrepreneur would also be encouraged to promote complex showcasing the rural life of Jharkhand.

16.6 ADVENTURE TOURISM

16.6.1 Jharkhand has a number of big water bodies, enthralling terrain, hills, dense forests, which are the pre-conditions for promoting adventure tourism activities. Comprehensive adventure tourism promotion plan for the State would be prepared to lay down the regulatory framework for the enforcement of safety standards.

16.6.2 The Jharkhand Adventure Tourism Institute (JATI) has already been set up under the Societies Registration Act, 1860. This institute would not only provide services for adventure tourism to the visiting tourists but also would impart training to the local youths, who in turn would provide such adventure tourism activity services to the visitors.

16.6.3 Efforts would be made to promote adventure tourism activities such as paragliding water sports, rock climbing etc. in the State, where district chapters of JATI would be set up in all the districts of the State as per the potential to promote land based, water based and air based adventure tourism activities.

16.6.4 Annual adventure sports events would be organized at various locations to promote adventure tourism activities. Private sector participation in adventure tourism activities would be supported through Jharkhand Adventure Tourism Institute to seek latest technologies and the equipments related to adventure tourism.

16.6.5 There is great potential for trekking in Jharkhand. A master plan for the development of Trek routes would be prepared and implemented. Water sports activities, like river rafting, canoing kayaking etc. are becoming increasingly popular which would be further promoted/extended to various potential areas of the State.

16.6.6 Guides will be trained and employed from among the local, who will also be assigned the task of protecting both the tourists and the environment. Steps will be taken to set standards and regulations for this purpose. Other water sports activities will also be developed and extended to various water bodies in the State like Tilaiya, Masanjor, Chandil, Pataratu, Getalsud, Kelaghagh, Kanke dam, Hatia dam, Chharwa Dam, Topchanchi, Maithon, Burudih dam etc.

16.6.7 There is a great potential for promoting aero sports related activities, like hang gliding, para gliding, hot air ballooning, etc. in Jharkhand, which would be
developed in a planned and systematic manner to provide thrill and adventure to the visiting tourists, simultaneously taking care of the safety requirements.

16.6.8 Adequate facilities will be developed to provide a high level rescue system for adventure sports and other tourism related activities. This will include provisions of various rescue equipments like recovery vans, medical support, communication system etc.

16.7 MINING TOURISM

16.7.1 The State of Jharkhand is the largest storehouse of mineral reserves, which accounts to around 37% of the total national mineral resources. A large number of mineral based industries are located in the State and large scale mining operations are being carried out in the State.

16.7.2 Promotion of Mining Tourism is a unique and thrilling concept in the country, though it is a very popular sector in certain other mineral rich countries, such as, South Africa, Japan, Germany, Brazil, etc. To utilize the tourism potential of closed and abandoned mines in the State, Mining Tourism Sector would be promoted where various activities relating to the mining and processing along with other tourist recreational facilities would be provided. In this regard, Joint Ventures with the welling mining companies in public and private sectors would be encouraged to set up. The mining tourism will not only showcase the mineral strength of the State but also would educate the tourist regarding various mining and mineral-based activities. This would also provide employment to the local inhabitants residing in and around such mineral bearing areas.

16.7.3 The Department of Tourism would take all steps to provide financial support to encourage tourism activities in the mining sector by providing a comprehensive package to promote the growth of mining tourism in the State. Such an initiative will not only provide access to those, who want to know more about the copper mining activities and its processing, but also would help in the generation of employment for local inhabitants, attract domestic/foreign investments and help in over all round development and maintenance of infrastructure associated with mining tourism in the State.

16.8 CONVENTION TOURISM
